Remarks

Prior to the filing of the Request for Continued Examination (RCE), dated May 25, 2005, the Examiner issued a Notice of Draftperson's Patent Drawing Review, dated April 5, 2005, accompanying the Notice of Allowance for this Application. The enclosed drawings address the concerns noted in the Notice of Draftperson's Review. For example, solid black shading was eliminated from FIG. 3 and FIG. 17. Further, FIG. 17 was amended to include a bracket, which indicates that FIG. 17 includes two pie charts.

Applicant requests approval of the drawing changes to FIG. 3 and FIG. 17. In addition to the changes to address the Notice of Draftperson's Review, FIG. 3 was amended to delete several features shown in the drawing as filed. No new matter or other material has been added to FIG. 3. In the enclosed annotated sheet, deletions in FIG. 3 are highlighted in yellow.

Please substitute the thirteen enclosed sheets of formal drawings, labeled FIG. 1 through FIG. 20, for the drawings originally filed with the application. FIG. 3 of the thirteen enclosed sheets incorporates the changes noted above. The enclosed drawings comply fully with 37 CFR 1.84.

Any fees or charges due as a result of filing of the present paper may be charged against Deposit Account 04-0525.

Respectfully submitted,
